

Buffat Heights Baptist is seeking a full-time worship pastor. We are a medium sized church in Knoxville, TN. Our worship is generally contemporary, our congregation is multi-generational. The position involves all responsibilities related to worship leadership including growing and developing the worship team (musicians and vocalists) as well as working with a choir. Other responsibilities include media, audio visual and AV team leadership.

All staff members handle other areas of responsibility outside of their primary roles, those to be determined based on the candidate's talents, abilities and experience as well as the needs of the church.

Resumes should be sent to resume@buffatheights.org Please include links to recent video of leading in a church setting, and please include references.

Candidates should have at least a bachelor's degree and some kind of consistent church worship leadership experience.
